

# STAFF

Directional Fault Finder

- Ground-Fault Detector with self-contained electronics
- Works with all RYCOM DFF enabled transmitters
- Simple to follow directional indications to fault
- Reference indication for fault identification
- Strong rigid a-frame designed for durable field use
- Locates up to 2 megohm faults

The **STAFF** is an ideal troubleshooting tool. Its sensitivity, simplicity and capabilities set it apart from other fault finders. The user is guided to the fault via simple directional arrows. Rycom Instruments®, Inc. locators are designed and manufactured to make utility locating as accurate as you need and as simple as you want. For more information on the **STAFF**, or any other Rycom Instruments® product, please call 1-800-851-7347 or visit us online at [www.rycominstruments.com](http://www.rycominstruments.com).
